Dear Jim,

Re: Consulting Services for the Simcoe County District School Board

On behalf of the Simcoe County District School Board, I would like to thank the Greenland Group of Companies for their exemplary civil engineering and landscape architectural services. You have been an integral part of the Board's success in a multitude of new construction projects including: new Mundy's Bay Elementary School (LEED Gold Certified) in Midland; new Nottawasaga Pines Secondary School in Angus (Consulting Engineers Ontario Award Winner); Lions Oval Public School; Drainage and Field improvements at Collingwood Collegiate Institute; Drainage and Parking Improvements at Cameron Street and Connaught Elementary Schools in Collingwood; the new Admiral Collingwood Elementary School; site renovations of Bradford District High School; new Fred C. Cook Elementary School (Bradford Replacement School); new Chris Hadfield Elementary School in Bradford; new Aliston Union Elementary School; Ernest Cumberland Elementary School Addition Improvements in Alliston; Bayview Public School Addition and drainage improvements in Midland; Cookstown Public School; and all athletic facilities at Stayner Collegiate Institute, Banting Memorial High School and Midland Secondary School. We also value your staff's ability to troubleshoot drainage issues in emergency situations and respond in a timely manner allowing us to mitigate future concerns.

Greenland's commitment, thoroughness, and professionalism have led to the success of each and every one of these projects. Your attention to timeliness and budgetary concerns makes you a leader in the field of consulting services.

As always, it has been a pleasure doing business with you and look forward to using your expertise again in the near future. Thank you again for your assistance.

Sincerely,

Steve Parker
Manager – Design & Construction Services
